

Hunt Hill Audubon Sanctuary

Welcome

The Board of the Friends of Hunt Hill Audubon Sanctuary extends a hearty invitation to you, your family, and friends to please come visit us in 2009.

This Program Guide will serve as your road map for involvement at Hunt Hill. Our programs, trails, meeting spaces, varied habitats, and other facilities are only here to serve you and encourage your increased appreciation of nature. Please take advantage of us! Our constant wish is to help guide people through the progression of nature appreciation: from first becoming aware of nature and its creatures – birds, plants, wildlife, insects; to learning about their ecology; to caring about their needs; to finally taking action to preserve them and nature in all its glory. Thank you.

Sincerely,

Nikki Nelson, Program Director
Jan Bliss, Board President
Storme Nelson, Executive Director

Cakes at the Lake 2009

Eco-Adventure 2 - Wolf Tracking

6am - 6pm

Learn basics of carnivore tracking while spending a full day in Block 2 of the Wisconsin DNR's Winter Carnivore Tracking program, in Douglas County. We'll carpool in 4-wheel drive vehicles into the remote northwest county forests along the Minnesota-Wisconsin border to check on two or three separate wolf packs. Bring a lunch, binoculars, warm footwear and clothing and be prepared to possibly backtrack on-foot as well. Frequent other wildlife tracks in the past have included fishers, bobcats, otters, weasels, fox, porcupines, and deer. Bird sightings could include great gray owls, eagles, gray jays, many different woodpeckers red-breasted nuthatches, brown creepers, pine grosbeaks, redpolls, and others. Data collected on tracks will become part of the 2009 carnivore monitoring program records. Call ahead to reserve a spot.

Cost: \$5/person Eco Adventure fee plus additional gas cost share.
